As we did last year, we'll be biking and skating the Paul Bunyan trail between Pequot Lakes and Brainerd. There will also be a beer and wine tasting event, bratwurst and hamburger cookout, and the usual crowd pleasers. Sunday we'll be going to Paul and Paul's.

DIRECTIONS:

- Take 94 west toward Fargo.
- Exit onto MN 15 in St Cloud - go north.
- This will turn into hwy 10 north (or west).
- Take this to MN 371 north.
- Go through Baxter/ Nisswa/Pequot Lakes/ Jenkins - just south of Pine River you'll come to County Rd 44 (Spur Station on corner). Take a right. this will turn into MN 84.
- follow this about 8 miles - you'll see a sign that says "West Ponto Lake Rd", but the arrow is deceiving - the highway takes a sharp bend - you want to keep going straight ahead - it will turn into a gravel road.
- keep following the road - it will go around the lake.
- You'll see a dead end sign that has been shot several times. Keep going straight - in about 1/4 a mile, you'll see fire marker 2215 on your left. That's our driveway.

The address is 2215 Birch Park Dr. NW, Backus, MN if you want to Google Map it.

Signs will be posted.

NOTE: It is best to arrive during daylight – it gets very dark at night making us much harder to find!
